Doctoral subject:

Working title of the dissertation:

.....

.....

Intended degree (Dr.phil. or Ph.D.):

The members of the supervisory committee undertake to supervise the dissertation referred to here in an appropriate manner, i.e. to assist the doctoral candidate in the choice (and later modification) of the topic, in the regular joint review of the progress of the work and by providing timely feedback on submitted parts of the dissertation. Those members of the supervisory committee who are also reviewers also undertake to propose, accept, reject, or return the thesis for revision within three months of submission, and to provide an expert opinion on the thesis within six months. The oral examination date should be no later than six months after admission to the doctoral examination.

The members of the supervisory committee are:

Who signs as a doctoral candidate thereby declares that he/she has taken note of the applicable doctoral regulations and undertakes to comply with them. This includes in particular the enrollment during the entire period of the doctoral period, the submission of a preliminary work plan at the latest upon conclusion of the doctoral agreement as well as the preparation of an annual report on the status and documentation of the progress of the doctoral project for the attention of the supervisory committee. The report, which has to be prepared at least in text form, has to be provided with a commentary by the members of the supervisory committee and has to be forwarded to the GSGG office.

The doctoral candidate undertakes to regularly attend a doctoral colloquium with an annual presentation of his/her own dissertation project.

The supervisory committee and the doctoral candidate undertake to comply with the rules of good scientific practice according to § 1 of the "Regulations of the Georg-August-Universität Göttingen for the Safeguarding of Good Scientific Practice".

Planned deadline for the submission of the dissertation (MM/YYYY):
